

HIV, Health and Rehabilitation Survey

Are you an adult living with HIV in Canada?

If yes, we invite you to participate in an online survey about health challenges and rehabilitation services used by people living with HIV in Canada. To learn more:

Go to <http://HealthRehabSurvey.utoronto.ca>

For more information, contact Nkem Iku (Research Coordinator) at nkem.iku@utoronto.ca or 1-855-589-0249
